

LEGAL AID SOCIETY
OF SAN MATEO COUNTY

Navigating our legal system without the benefits of educational and financial resources can be nearly impossible. There are many layers of complexity and nuances, and the cost of private legal services is simply out of reach for those of little means. Legal Aid is proud to count so many Pro bono attorneys, paralegals and law students among those giving every day of their time, expertise, and passion to help ensure equal access to justice for our clients.

In honor of the National Pro Bono Celebration, October 25-31 2015, Legal Aid would like to express our deepest thanks to the firms and individuals whose Pro Bono support has helped our clients find access to justice this year:
